

5 THINGS EVERY EMPLOYER WANTS IN A RETIREMENT PLAN

You want to provide a retirement plan for your employees that...

IS EASY TO ADMINISTER	MINIMIZES FIDUCIARY LIABILITY	IS COMPLIANT	IS COST COMPETITIVE	TEAMS WITH WELL KNOWN PROVIDERS
<p>1</p> <p>TAG Resources performs 90% of the administrative duties required for a company to offer a 401(k) to their employees. This removes the administrative burden from company employees and executives so you can focus on what's most important — running your business.</p> <p><i>You don't want to be 401(k) experts.</i></p>	<p>2</p> <p>The TAG Retirement Solution allows a company to shift its fiduciary duties to TAG Resources, to the greatest extent permitted by law.</p> <p>This provides your company with fiduciary support and helps mitigate your defined legal obligations and responsibilities. With TAG Resources commitment, you have the confidence that your fiduciary obligations are being met.</p> <p><i>You don't want</i></p>	<p>3</p> <p>As of the 2015 Department of Labor random audit period, the DOL reports more than 67% of retirement plans failed their audit. * However, plans administered as plans administered by TAG Resources have a much higher chance of passing a DOL audit.</p> <p>TAG is your retirement Support Staff, signs the Form 5500, and ensures each plan is consistently in compliance with the DOL and IRS regulations. If you are out of compliance, TAG is out of compliance - and that has not happened in TAG's 15+ years of operation.</p> <p><small>*U.S. Department of Labor, Employee Benefits Security Administration, 2015.</small></p> <p><i>You don't want fines or penalties.</i></p>	<p>4</p> <p>This plan, built on an "aggregated" model that "pools" all plans together brings your company the advantage of economies of sale on pricing.</p> <p><i>You don't want to overpay.</i></p>	<p>5</p> <p>The TAG Retirement Solution combines 3(16), 3(38), and TPA services for "end to end" retirement plan oversight. TAG teams with the industry's top recordkeepers and 3(38) Investment Managers.</p> <p><i>You want to partner with the best.</i></p>

The bottom line is that, for every plan, TAG acts as the company's 401(k) support team, so the company doesn't have to act as a retirement expert. TAG acts as a buffer between the Plan Sponsor and the DOL and IRS, and works to keep each plan in compliance with all applicable laws. TAG's experts make the decisions and take responsibility for those decisions with respect to the services they provide, taking away one more thing that might keep Plan Sponsors awake at night. TAG does all of this at a price comparable to plans that offer fewer services.

Plan Sponsor Responsibilities without TAG Resources
