Best Time Spent

Gardening is about enjoying the smell of things growing in the soil, getting dirty without feeling guilty, and generally taking the time to soak up a little peace and serenity.

True friends stab you in the front.

I cannot even imagine where I would be today were it not for that handful of friends who have given me a heart full of joy. Let's face it, friends make life a lot more fun.

True friendship multiplies the good in life and divides its evils. Strive to have friends, for life without friends is like life on a desert island... to find one real friend in a lifetime is good fortune; to keep him is a blessing.

- Baltasar Gracian

Quality of life is not only about what you find in the shops; it's about the landscape.

DONALD TUSK

My college experience was like everyone else's. I learned a lot. I gained a new perspective on the world and on people that I'm so thankful and appreciative for.
