## 1:16 IH 1460 Combine

Prototype shown

**PRESTIGE™**  
SELECT

## TOMY is pleased to announce our 1st Case IH Prestige Select

The combine will feature die-cast upper and lower bodies, die-cast feeder housing, and die-cast rear axle construction. Among other features the clear cab windows will reveal a detailed interior. Both a 810 grain head and 863 corn head will be included with the combine. The 15 foot grain head will have a die-cast grain platform with rotating reels and auger. The 6 row corn head will have die-cast frame and rotating auger. **To enhance the collectability, after we finish production the tooling will be destroyed. This is a once in a lifetime opportunity to order.**
