BOTTLE & CAPPY, ALL FIZZED UP!

RULES OF PLAY, BY DOM WESTERLAND

BOTTLE: WHAT IS THIS, CAPPY?

CAPPY: IT'S OUR PROFILE, BOTTLE! WE'RE SPECIAL NAMED CHARACTERS THAT PLAYERS OF FALLOUT FACTIONS CAN ADD TO THEIR CREWS TO GIVE THEM THAT EXTRA BIT OF NUKA-COLA LIKE ZIP ON THE BATTLEFIELD!

BOTTLE: BA... BATTLEFIELD, CAPPY? I DON'T THINK I WANT TO FIGHT ANYONE...

CAPPY: GET IT TOGETHER, BOTTLE! THOSE CREWS NEED US. JUST STAY SAFE AND YOU'LL BE JUST FINE!

This booklet allows players to temporarily add 'Bottle and Cappy, All Fizzed Up', to their crew for the duration of a single game, using the Legends of the Wasteland rules. A model can only be added to a crew in this way if it has the *Wasteland Wanderer* Innate Perk. For more information, download the **Fallout: Miniatures - Hollywood Heroes Assembly Guide** at <https://www.modiphius.net/pages/fallout-factions-downloads>.

NEW INNATE PERKS

This section lists some new Innate Perks that are not found in the *Fallout: Factions 'Battle for Nuka-World'* rulebook.

THE ONE & ONLY

This model is a specific type of Wasteland Wanderer, representing a named character or unique creature.

If the player with the Initiative hires this model before the start of a game, the other player cannot hire the model for this game.

WASTELAND WANDERER

This model can be temporarily added to a Crew using the Legends of the Wasteland rules.

ZIP OF NUKA-COLA

When this model would be removed from play, all crews that have a model within 2" mark an available Nuka-Cola Chem on their Roster.

EVERY MINIMUM ACCEPTABLE SAFETY STANDARD MET

This model has no Harm Limit.

NEW MODEL

The following model can be hired by any Crew, using the Legends of the Wasteland rules.

BOTTLE AND CAPPY, ALL FIZZED UP (GRUNT, HIRING FEE: 48)
