## What Road Hazards Threaten Your Drive?

A puncture from a nail can ruin even the finest-quality tire. Running over a pothole can bend a wheel, making it useless. No matter where you go, at some point you are bound to encounter a road hazard. Whether your tires and wheels are OEM (Original Equipment Manufacturer) or aftermarket, iA American Expanded Tire & Wheel Protection offers a level of coverage tailored just for you.

### STANDARD TIRE-ONLY COVERAGE

A great choice if your tires meet your vehicle's OEM size specifications, and you do not wish to have wheel coverage.

### PREMIUM TIRE & WHEEL COVERAGE

Choose this if your vehicle has OEM wheels and your tires meet your vehicle's original OEM size specifications.

### ELITE TIRE & WHEEL COVERAGE

Choose Elite if you have aftermarket wheels and tires meet your vehicle's OEM size specifications.

### ELITE PLUS TIRE & WHEEL COVERAGE

Perfect for vehicles with aftermarket wheels and tires that exceed your vehicle's OEM size specifications.

See your iA American service contract for complete coverage details.

## ROADSIDE ASSISTANCE

Included with all coverage levels. The following emergency roadside benefits are available to you, up to \$100 per occurrence (see "Important Note" below):

**TOWING ASSISTANCE:** If your vehicle is disabled and in need of a tow, Roadside Services will dispatch a towing provider.

**BATTERY JUMP-START:** If your battery fails, a service provider will jump-start your vehicle.

**FLAT TIRE ASSISTANCE:** Service will be provided to replace a flat with your properly inflated spare.

**LOCKOUT ASSISTANCE:** If your keys are locked inside your vehicle, a service provider will be sent to your location to attempt to retrieve your keys so you can get back on the road.

**FUEL, OIL, FLUID, & WATER DELIVERY:** An emergency supply will be delivered when needed.

## STEEL OR ALLOY WHEEL COSMETIC REPAIR

Included with Premium, Elite, and Elite Plus. If any covered wheel is scratched, nicked, grooved, or incurs any cosmetic damage from a road hazard, your coverage will pay to repair your wheel up to \$150 per wheel. Not available for chrome or magnesium wheels. Not included with Standard. See your service contract for complete details.

## EXPANDED TIRE & WHEEL PROTECTION OFFERS:

**FINANCIAL PROTECTION:** Depending on the coverage level you choose, your coverage will reimburse you for the cost to repair or replace your tires, and/or replace your wheels, if they're damaged by a covered failure.

**NON PRO-RATED COVERAGE:** Some road hazard plans pro-rate their coverage, so the more you drive, the less coverage you have. We don't do that.

**NO DEDUCTIBLE:** There's no deductible to meet before your benefits begin.

**INCREASED RESALE VALUE:** If you sell your vehicle, the remaining coverage can be transferred to the new owner, potentially increasing the resale price.

**NATIONWIDE REPAIR FACILITIES:** iA American service contracts are welcomed by repair facilities throughout the United States and Canada.

Certain Roadside Assistance benefits may not be applicable to hybrid, all-electric, plug-in hybrid electric (PHEV), or fuel-cell vehicles. Does not include cost of fuel, oil, and other fluids.
