THE FOUNDER AND SSVM'S 'GLOBAL VISION & INDIAN VALUES'

SSVM's Founder, Dr Manimekalai Mohan, is a visionary and reformer who has dedicated her life to education and philanthropy. Through her work, she became a voice and pillar of support for women educators.

Dr Mohan has founded fifteen campuses in the Coimbatore district and it is her legacy that inspired the school to adopt a powerful and innovative approach to education where the institutions have all curriculums [CBSE, Cambridge International, IBDP, IBCP, Matriculation (State Board), and NIOS] that enable young learners to flourish and become well-rounded individuals.

Vision

To be at the leading edge in school education by developing individuals who will lead the future.

Mission

To delve into design and deliver the best school education programme that

- Provides cutting-edge facilities for the students to be creative, skilled, flexible, tech-enabled and adaptable life-long learners to find their place in the complex and dynamic world;
- Facilitates the best learner-centred pedagogy with intellectually challenging academic practices in a conducive learning environment with close monitoring of the progress of each student;
- Helps flourish physical, social and emotional well-being and live a balanced, ethical and resilient life of servant leadership with finesse, passion and compassion;
- Develops culturally-rooted internationally-minded citizens with inter-cultural understanding and empathy;
- Affords global collaboration, exploration and innovation opportunities;
- Protects and safeguards the well-being, safety and security of all students, staff and the school community proactively.

SSVM Prepversity, founded in 2018, has one mission - merge our unparalleled expertise with personalized guidance, equipping your child to excel in competitive exams.

With a team of dedicated educators committed to providing comprehensive academic support both in and out of the classroom, we deliver practical, exam-specific strategies tailored to a range of prestigious entrance exams, including IIT-JEE, NEET, and more.

How we guide our students:

- Regular All-India Mock Test Series for IIT-JEE and NEET aspirants
- Cutting-edge study materials curated by our expert faculty
- Tutoring in small groups and 1- 1 focus
- Individual mentoring sessions addressing specific student needs
ntense revision and doubt clarification sessions
- In-depth foundation classes for Grades 8-10 for Math, Physics, Chemistry and Biology
- Special training on Mental Ability Test to determine out of box thinking temperament

At SSVM Prepversity, our holistic approach not only enhances students' academic abilities but also strengthens their confidence, time management, and exam readiness. We are committed to shaping future achievers by instilling the skills they need to thrive in today's competitive world.

IIT-JEE 2024 MAINS TOPPER

Harish Kandhiah B

ONE BATCH
ATTEMPT
100% SUCCESS
ZERO REPEATERS

"The 2023-24 academic year has been outstanding for SSVM Prepversity. All our JEE students secured placements in top institutions like IITs, NITs, IIITs, and leading universities. Nearly 80% of our NEET students earned seats in government and private medical colleges through merit and semi-merit categories."

These achievements reflect our dedication to student success.

A Unit for Differently Abled Children

Athma Seva, established in 2002 by our visionary founder, Dr. Manimekalai Mohan, stands as a beacon of hope and empowerment for differently-abled children in Mettupalayam.

Every child deserves equal opportunities, this initiative is dedicated to supporting students with special educational needs, equipping them for the challenges of adulthood with dignity and purpose.

Our team of compassionate educators is deeply attuned to the unique interests, aspirations, and needs of each student.

- Free, personalized education programs,
- Designed to cultivate individual strengths and promote holistic growth within a warm, supportive, and inclusive environment.

Pathfinder Program

Career Counselling

We believe that each student is unique, with distinct strengths, interests, and potential. We empower students to make informed decisions about their academic and professional futures,

- **Career Counselling and Mentorship** - personalized career pathways, industry expert mentorship, emerging fields and career trends, etc.
- **Aptitude and Personality Assessments** - data-driven recommendations, SWOT analysis, core strength alignment
- **Global Career Fair** - SSVM flagship event for both parents and students to meet top global universities from various countries
- **Exclusive Study Abroad Support** - university recommendations, scholarships, logistics, etc
- **Esteemed Indian University Placements** - guidance on best-fit prestigious institutions to pursue higher education within India

The Transforming India Conclave by SSVM is an annual gathering held from September 1 to 3, featuring inspiring and distinguished speakers, and entrepreneurs spanning various age groups and fields. Dr Manimekalai Mohan, the visionary founder, envisioned this event to cultivate the multifaceted abilities of students aspiring to become successful entrepreneurs.

ACCESS USA

— Associate school —

The Access USA Alliance offers international students an opportunity to

- Fast-track to higher education
- Combine high school and university courses
- Earn transferable credits before graduation
- Secure admission to top universities
- Skip traditional admissions hurdle

We at SSVM also conduct programs in collaboration with Access USA. A couple of regular programs are:

- Model United Nations (MUN) program
- Leadership and Learning Workshops

TEDx Youth@SSVM

x = independently organized TED event

TEDx is a grassroots initiative, created in the spirit of TED's overall mission to research and discover "ideas worth spreading." TEDxYouth@SSVM is an initiative by SSVM in collaboration with TED as a local event in Coimbatore.

November 2023 Theme - RevolutionX: Ideas that Fuel Change

This TEDx event is intended to celebrate the power of revolutionary ideas, showcase stories of strength and resilience, explore digital renaissance and amplify voices of innovation that have the potential to transform our world. In an ever-evolving society, this event shared ground-breaking concepts and thought-provoking perspectives that challenge conventional norms and ignite positive change.

June 2022: Theme - Ever Higher, Better Ever

This event aimed to provide a platform for the speakers and attendees an opportunity to have voice, choice, engagement, motivation, purpose and ownership in their conviction, thoughts and actions to live a meaningful life in this world largely influenced by the metaverse phenomenon.
