

# God is sending in *reinforcements* to gird you up and hold your ladder.

People who are not self-seeking, but who have been groomed, prepared, and equipped to help and serve.

Their only assignment is to assist you, help you, hold you up, and cover you.

To make sure you don't fall and that you complete your assignment.

They are not coming to take, to compete, or compare; but to add and give to you.  
**God is sending givers, not takers.**

They are going to love on you and you don't have to be afraid to receive because they don't want anything in return.

They are not coming with ulterior motives or hidden agendas, no secret plots, schemes, or traps. Their hearts will be pure. **They are coming in peace, purity of heart, and in love.**

*You are not alone.  
You are covered.*

GOD'S PEOPLE. HIS PLAN. YOUR PURPOSE.
