Returns

To arrange the return of any item, please call customer services on 01527 878348 within 48 hours of receiving your delivery. All goods must be returned in a saleable condition. Some items may be non-returnable or incur a re-stocking charge so please take detailed care that you are ordering what you require. Food products are non returnable.

Carriage Terms

Free delivery is available on orders over £30 - orders under £30 have chargeable delivery at £4.95. Same day shipping is available for £9.95 on orders placed before 10am in our West Midlands area. Find all our shipping details on our website.

Environmental Policies

We take our share of responsibility in caring for the environment. That's why many of the products in this catalogue are produced from recycled material - we source copy paper from sustainable sources. Even this catalogue is produced from FSC accredited paper!

Terms and Conditions

We extend automatic credit accounts to local authority sponsored organisations. Terms of payment are 28 days following date of invoice. All prices are net and subject to VAT unless otherwise stated.

Prices are correct at time of printing and are subject to change without notice - please check our website for current pricing.

Goods are offered subject to availability and are supplied subject to our full terms and conditions, a copy of which is available on request.

Forward Education

REVIEWS.io

"I have been using Forward Products for a number of years now and they are absolutely fantastic. The order process is so straight forward (no pun intended) and the website is really user friendly. If you cant find what you need, customer services are always more than happy to help and everyone i've dealt with have always been so very helpful and polite. The products themselves are good quality and the prices are very competitive with next day delivery. Even the delivery driver is pleasant and always puts everything away for us, no request is too much for him! I would highly recommend this company for educational supplies. You wont be disappointed :-)"

RAZORBACK®

DESIGNED TO ENDURE THE ROUGH AND TUMBLE OF A BUSY CLASSROOM

With a reinforced base plate, hardened steel blade guide and impact resistant end caps, Razorback rotary trimmers stand up to the rigours of the classroom.

Thanks to the self-sharpening blade and sculpted cutting head with textured grip you will be able to effortlessly slice through material up to 1440gsm thick.

The solid steel base plate includes common paper size markings and gridlines to help you get the right cut every time. Use with the magnetic paper guide to make repeatable cuts faster.

Spare parts available for complete peace of mind and for heavier usage. This includes spare cutting heads, as even a Razorback blade can get worn with frequent use.

Paper & Card Thickness Guide

- Gsm = Grams per square metre - a measure of the weight of the paper and a general indication of its thickness and opacity.
- Microns = A specific measure of the thickness of the paper. 1 micron is 1/1000th of an inch.
- SHT or sheets is an old imperial measure of thickness.
- Due to the nature of paper manufacture, the conversion of weights to thickness is approximate and will vary between paper types and manufacturers.

Paper & Card Thickness Guidelines			
GSM	Microns	Sheet	Usage
150	200	2 Sht	Thin card for general project work. Suitable for most printers and copiers.
175	230	3 Sht	Thin card for folding, modelling and montage
220	280	4 Sht	Medium/thin card for modelling, mobiles, projects etc.
280	340	6 Sht	Medium thickness for modelling and construction work.
560	750	12 Sht	Very thick card for mounting, framing and rigid modelling structures
