Don't Become a Statistic!

Thieves steal quickly, but vehicles with theft protection slow them down and are more likely to move on. Choose iA American Complete Theft Protection program to help make your vehicle less desirable to professional thieves. In the unlikely event your vehicle is stolen, our Complete Theft Protection program helps police identify your vehicle and recover it for you.

PROGRAM BENEFITS

SET CASH PAYMENTS

If your vehicle is stolen, not recovered within 30 days, and deemed a total loss by your insurance company, you will be paid the benefit amount shown on your warranty, or the NADA "clean trade-in value" of the vehicle, whichever is less.

INSURANCE DEDUCTIBLE REIMBURSEMENT

If your vehicle is stolen and recovered, but not deemed a total loss, you will be reimbursed for either the cost of repair, or your insurance deductible up to \$1,000, whichever is less.

PLUS

The iA American Complete Theft Protection program is transferable. If you decide to sell your vehicle, the new owner can enjoy the benefit of added security, and you may enjoy the benefit of increased resale value.

See your iA American limited warranty for complete coverage details.
