# DIRECTOR'S NOTES:

There is a particular kind of magic that happens when students are given the freedom to play, and this production has been full of it. Working with this group over the past nine months has been such a joy. Throughout our Theatre Intensive course, I have had the privilege of watching each and every one of these students grow—and every single one of them has impressed me along the way. Their commitment, curiosity, and willingness to take risks have made this process incredibly meaningful.

I love being in a space where young artists are encouraged to explore, stretch, and fully step into their creativity, and this cast has done exactly that. They have shown up again and again with heart, humor, and a deep dedication to their craft.

Puffs is a story about the underdogs, the overlooked, and the beautifully ordinary people who show up anyway. This cast has embraced that spirit with so much humor, heart, and commitment. Their comedic instincts and willingness to lean into the ridiculous have made this process incredibly fun—but what has meant the most to me is watching their confidence grow and their connections deepen, both on and off the stage.

These students are not only talented performers, but generous collaborators and supportive teammates—and that is what truly brings this story to life.

Thank you for being here and for supporting these incredible young artists.

Get ready for some unexpected magic!

Enjoy the show!

Puffs is not authorized, sanctioned, licensed or endorsed by J.K Rowling, Warner Bros. or any person or company associated with the Harry Potter books, films or play.

### **About the show:**

Puffs is a comedic, fast-paced parody that follows the "Puffs"—a group of loyal, well-meaning outsiders—through seven years of a dangerous magic school. It is a heartfelt story about being a supporting character in a world dominated by a famous boy wizard.

### **Main themes of the show:**

- Loyalty
- Friendship
- Resilience
- Finding your own greatness even if you aren't destined to save the world.

WHERE COMMUNITY **OPPA!** MEETS CREATIVITY

## Principal Characters:

**Wyane Hopkins-** A nerdy, nerdy orphan wizard from New Mexico, who is a huge fan of pop culture and dreams of being a hero.

**Oliver Rivers-** A brilliant math whiz from New Jersey who finds out he isn't the top of his class and embraces the "Puff" lifestyle.

**Megan Jones-** Daughter of a dark wizard, she initially seeks to live up to her mother's reputation, but her tough exterior softens over time.

**Narrator-** Guides the audience through the seven years with a British accent.

**Cedric/Mr. Voldy-** A charismatic, athletic Puff leader in Act I, who becomes the main villain in Act II.

## What to Look for While Watching Puffs

- **Rapid-Fire References & Jokes:** Keep an eye out for deep-cut 1990s pop-culture references (like Free Willy or NSync) alongside parodies of Harry Potter scenes.
- **Rapid Character Changes:** Because the cast is relatively small, many actors play multiple roles, switching characters quickly with minimal costume changes.
- **Slapstick Humor:** Watch for creative, silly, and sometimes meta visual gags (including puppets) to represent magical scenes and creatures

## On The Ride Home Questions:

- What was your favorite moment in the show, and why?
- What message do you think the show is trying to share?
- How do you want the world to remember you, and what legacy do you want to have?

---

Thank you for coming to see Puffs! We hope this story reminded you that even if your not desine to save the world you can still find your worth. If you want to learn more about Puffs and the story behind it feel free to watch/read the Harry Potter books by J.K. Rowling.
