SOUGH RIDGRS 1972

ROOSEVELT H.S.

YOUTH

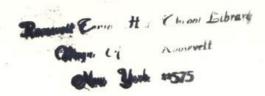

We have tomorrow Bright before us. Like a flame.

Yesterday A night-gone thing, A sun-down name.

And dawn today Broad arch above the road came

We march!

Langston Hughes

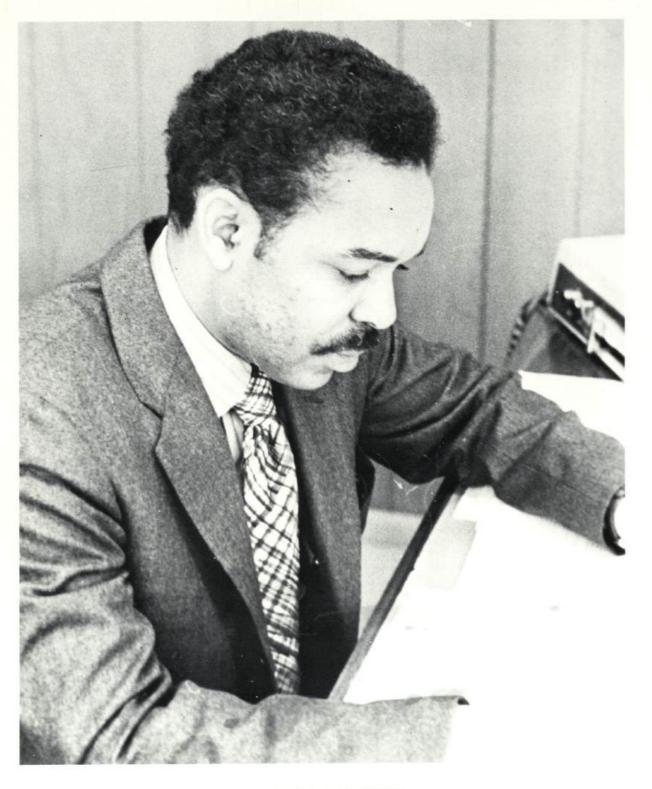

The Class of 1972 dedicates this yearbook to an individual who, for three long and active years, has served us with unyielding loyalty and self-sacrifice. Her patience and understanding, her firm but fair guidance have helped us grow in knowledge and character. She adopted, and was adopted by, one hundred and eighty-eight students and has become our mother away from home. She is as proud of us as we are — and always will be — of her.

We gratefully and sincerely dedicate our book to Mrs. Susie Frisby, our Class Advisor.

ADMINISTRATION

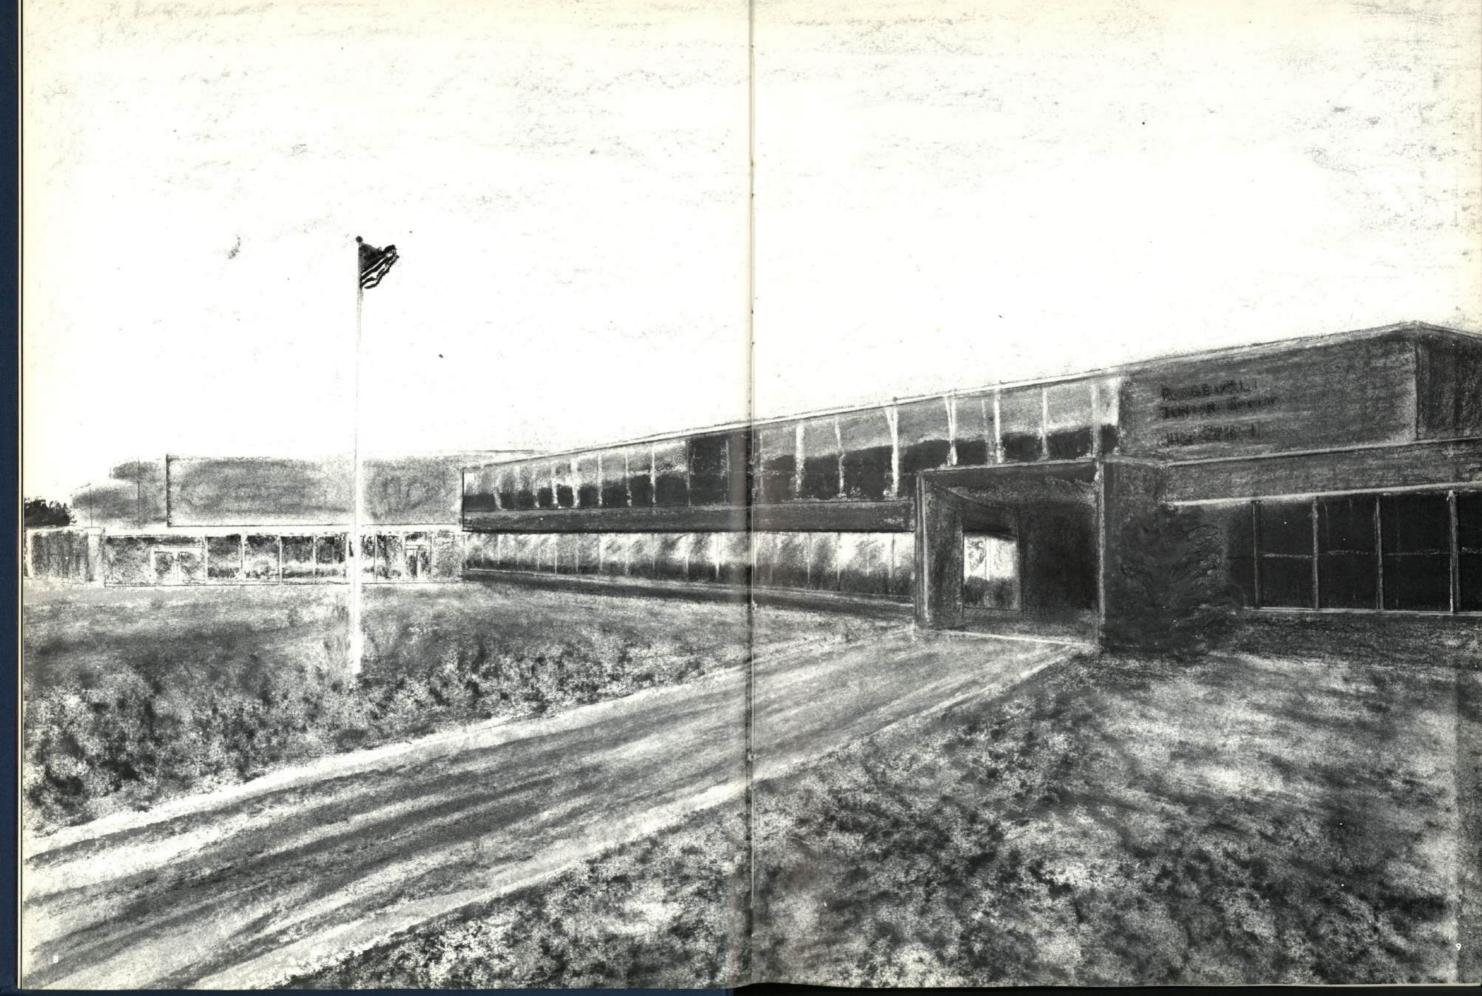

MR. JAMES GALLOWAY Superintendent of Schools Roosevelt School District

MR. JAMES WALKER
"The test of our educational endeavors lies in the success of the youth"

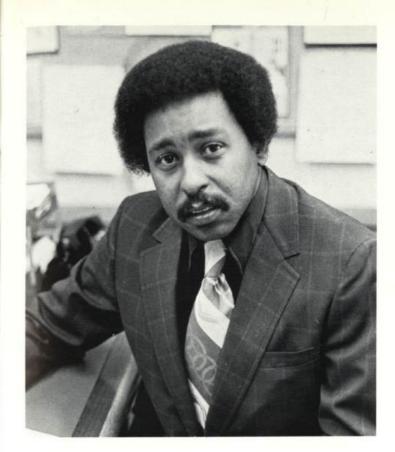

MR. ARTHUR HERRFORTH

"Although the earth's soil may seem indifferent to your being, do not let your individuality be buried. Despite the force of the wind that is trying to divide you, hold fast to your strength. If the waters attempt to drown you, let your understanding continue to breathe. Look at the turmoil of the world and say, 'I am the future, and the future is hope'."

Joe L. Farmer, Assistant Principal

Assistant Principal MR. McLLWAIN

There are three marks of a superior man: Being virtuous, he is free from anxiety; Being wise, he is free from perplexity; Being Brave, he is free from fear.

Confucius

CONGRATULATIONS CLASS OF '72.

C. The Sheain

"We have been entrusted by the Community with the responsibility of seeing to it that every student in the Roosevelt Jr.-Sr. High School be provided with an opportunity for a quality education.

While politics and religion are important aspects of our society, education is our primary objective. If religion and politics can be incorporated into the educational arena and accomplish positive results, that's good. However, nothing must come before education. Without education very little can be accomplished.

Education is our goal. It is accomplishable. We will accomplish it."
