# DIRECTOR'S NOTE:

---

Bright Star has been such a beautiful show to be apart of. It is a story of loss and grief, especially mourning the life you thought you would have. But it is also one of hope and second chances.

I'm so grateful for the opportunity to direct this show. I am thankful to the many hours of hard work, preparation and dedication that the cast and production team have devoted to this show, I could not have done it without them. To my team, your creativity and support have been a blessing. This show looks and sounds so beautiful, and that is a credit to the talent of each one of you. To the cast, I'm so proud of you.

Thank you for trusting me and thank you for your vulnerability on and off the stage. You are all so incredibly talented.

This show has resonated in different ways with each of us behind the scenes. I hope that it also resonates with those that come to see it, and that we all take a piece of that hope with us as we leave the theatre.

*- Sarah Heiner*
