VOICES FOR THE VOICELESS

— A WORLD ORPHANS DAY GLOBAL MUSIC CAMPAIGN —

“THE VOICELESS”

A Proposed World Orphans Day Theme Song and Global Music Campaign

THE VISION

The Stars Foundation invites artists, songwriters, producers, and global partners to join “THE VOICELESS,” an original song created as the official theme song for World Orphans Day and the centerpiece of the worldwide Voices for the Voiceless Campaign.

The recording will feature acclaimed artists, international choirs, and children’s voices, creating a powerful and inspiring song that unites people around the world and brings hope, visibility, and a voice to orphaned and vulnerable children everywhere.

THE GLOBAL CAMPAIGN

The song, music video, and associated media projects will be developed for a global audience, with opportunities for television, streaming platforms, and international broadcast outlets. The campaign will highlight the needs of orphaned and vulnerable children while inspiring compassion, awareness, and practical solutions.

THE 2026 TIMES SQUARE ANNOUNCEMENT AND 2027 EXPANSION

The project would be introduced during the six-week 2026 Voices for the Voiceless Billboard Campaign, leading into World Orphans Day on November 9, 2026.

The full song release, music video, and expanded campaign are being planned for 2027, with potential international collaborations, global events, and strategic media partnerships.

VOICES FOR THE VOICELESS

A Global Song for Children Around the World

This campaign will bring together musicians, humanitarian organizations, governments, and communities to use the power of music and media to create awareness, inspire action, and change lives — one child at a time.

BEYOND THE SONG

A GLOBAL MOVEMENT OF HOPE

*The Voiceless is more than a song.
It is an invitation.
An invitation for every person to
discover the Power of ONE.*

THE POWER OF ONE

Every great movement begins with one person who chooses to care.

- One voice.
- One song.
- One child.
- One act of kindness.
- One opportunity.
- One decision.

Together, those individual moments become a movement that changes lives around the world.

FROM A SONG... ...TO A GLOBAL MOVEMENT

The vision for *The Voiceless* extends far beyond the recording studio.

It is designed to become the musical heartbeat of Voices for the Voiceless—an international awareness initiative of The Stars Foundation that brings together artists, humanitarian organizations, business leaders, faith leaders, athletes, educators, and communities to advocate for orphaned, vulnerable, foster, and exploited children.

Through music, storytelling, media, and strategic partnerships, we hope to inspire millions to believe that one act of compassion can transform a child's future.

A GLOBAL INVITATION

As the movement grows, future initiatives may include:

- ★ World Orphans Day International Celebrations
- ★ Embassy and Diplomatic Events
- ★ Children's Choir Collaborations
- ★ International Television Specials
- ★ Leadership Forums
- ★ Documentary Productions
- ★ Global Humanitarian Projects
- ★ Educational and Youth Initiatives

INTERNATIONAL COLLABORATION

The Stars Foundation has been honored to develop friendships and humanitarian relationships with leaders around the world.

As this vision develops, we hope to explore opportunities for international artistic collaborations—including children's choirs and, subject to mutual interest and agreement, participation from friends within the Kingdom of Eswatini, reflecting the project's message of global unity, hope, and compassion.

Additional collaborations with humanitarian organizations and cultural leaders from other nations may also be explored as the movement grows.

Kingdom of Eswatini

United in friendship.
United in purpose.
United for the children.

OUR PURPOSE

We believe music has the unique ability to cross

every border.

every language.

every generation.

every culture.

When combined with compassion, music becomes more than entertainment.

It becomes hope.

ONE WORLD UNITED IN LOVE

THE VOICELESS

Proposed World Orphans Day Theme Song

Written by Terrance Alan - Cheryl Robeson Piggott © 2026

Complete lyric presentation • Alternate chorus wording shown in full

INTRO (Spoken)

In a world filled with noise,
there are still voices we cannot hear.

The cries of children forgotten.
The dreams of children unseen.

But every child has a name.
Every child has a story.
Every child has a purpose.

Every child matters to God.

They have no stage.
They have no microphone.

They need our voices.

VERSE 1

In the corner of a crowded world,
there's a child nobody sees.

A little hand is reaching out,
through silent cries and broken dreams.

A worn-out little soul,
still holding on tonight.

A child searching for a family,
a place to feel alright.

The world keeps moving faster,
while their hearts are standing still.

Waiting for someone to love them,
waiting for someone who will.

PRE-CHORUS

How long will we look away?
How long will we walk on by?

When a child is waiting in the shadows,
for someone to hear their cry.

One heart, one hand, one act of love,
can shine into the dark.

One voice can bring hope back again,
and give a child a start.

CHORUS

**They have no stage,
where their dreams can shine.**

**They have no microphone,
to tell the world their story.**

**But they have a heartbeat,
they have a hope inside.**

**They are more than forgotten,
they are precious in God's eyes.**

**So we will be the voices,
when they cannot speak.**

**We will stand beside them,
when the world looks away.**

**With hearts full of mercy,
and love that never fades.**

**We will be the voice of love
for the voiceless.**

VERSE 2

Some are searching for a family,
some are searching for a home.

Some are carrying hidden scars,
from battles fought alone.

But every dream still matters,
every life still has a name.

A future can be rewritten,
when someone chooses to stay.

No child was born forgotten.
No child was made unseen.

There is hope beyond the hurting.
There is more than what has been.

CHORUS 2

They have no stage,
where their dreams can shine.

They have no microphone,
to tell the world their story.
But they have a heartbeat,
and a future still alive.

When we stand together,
hope can change a life.

So we will be the voices,
when they cannot speak.

We will reach the forgotten,
with the love they need.
With hands full of mercy,
and hearts open wide.

We will be the voice of love
for the voiceless.

BRIDGE

He said, "Let the children
come to Me,"
don't turn their hearts away.

Every child is precious in His eyes,
every child deserves a place.

Pure and faithful love remembers
those the world leaves behind.

To care for those who need us most
reveals the Father's heart of kindness.

Love is more than words we say.
Love is more than promises made.

Love in action never walks away
when there is a life that needs
a hand today.

We will be the hands of mercy.
We will be the light that shines.

A voice for the forgotten.
A hope for all mankind.

FINAL CHORUS

They have no stage,
where their dreams can shine.

They have no microphone,
but their stories still are worth the time.

They have a heartbeat.
They have a purpose.
They have a future to find.

And together we can show them
they were never left behind.

We will be the voices,
when they cannot speak.

We will stand beside them,
for all the world to see.

With hearts full of mercy,
and love that never fades.

Together we'll be the voice of love
for the voiceless.

Together we'll be the voice of love
for the voiceless.
