

Childcare with Six Bricks

Six Bricks is a hands-on tool for learning. It is one of the LEGO® Foundation's most popular tools for introducing learning through play and is experiencing rapid growth in usage by teachers worldwide.

The Power of Six Bricks

Create a receptive environment in which the child is confident and positively engages with previously learned knowledge and new concepts.

Re-energize the brain; through movement, children get blood flow to the neurons to create new neural pathways.
