Apply for a funeral loan with
low monthly payments!

† To check the rates you qualify for, LendingUSA does a soft credit pull that will not impact your credit score. However, if you choose to continue your application, your full credit report will be requested from one or more consumer reporting agencies, which is considered a hard credit pull.

All funeral loans are made by our lending partners (lendingusa.com/lending-partners/). Amounts financed range from \$1,000 to \$9,259.26 but may vary by term. Loans are not available in all states. An origination fee of 8% may be included in the principal loan amount that may result in an APR of up to 29.99%.
