Meet Your Host

Dave Heymann

Dave is the crazy guy behind Glamp Blue Rdige. He enjoys creating unique getaways that allow people to recharge and reconnect with one another.

When not running the day to day of GBR, Dave follows instructions from his beautiful wife Leigh and their two supercharged children.

David can be reached at 706-514-0964 if you need anything at all to make your stay more enjoyable!

Getting Here

3066 Rock Creek Road
Cherry Log, GA 30522

Driving

GPS apps will get you here just fine. We do recommend taking a screenshot of your directions and the check-in instructions, including door code, as there is little to no cell service in the area upon check-in.

Terrain

The roads are partially unpaved and are steep in just a few places. The driveway is partially paved and partially gravel. A sedan can do it just fine, but we recommend an SUV if available. More detailed instructions will be provided closer to check in.

Parking

Dome 7 has parking directly adjacent to its deck.

Domes 4, 5, and 6 have parking that ranges from 20-40 yards away.

Dome 3 and 2 have about a 2-3 minute walk with a paved hill to reach the decks.

Dome 1 has about a 3-4 minute walk with a paved hill and graveled hill to reach the deck. Additionally, Betty has a staircase to her deck. She is a little bit of extra work to get into, but she's worth it! Pack light and take your time, you got this!

We provide wagons to help carry your belongings to your dome.

The Kitchen Situation

Coffee: Each dome has a 2-in-1 traditional coffee pot and keurig machine. Four k-cups are provided. Please bring coffee and basket style filter (not cone) if you prefer to make a pot.

Outdoor Grill: Each Deck has a Blackstone griddle-style grill on its deck and griddle tools in a tupperware container under the grill. Please properly clean your grill and dispose of everything in the grease trap so wildlife is not attracted to your deck!

YES

- Basic cooking utensils (small to medium mixing bowls, cutting boards, knives, pots and pans, etc.)
- 2 burner induction cooktop
- Full sized dishwasher, pods provided
- Small toaster oven
- Microwave
- Refrigerator / freezer
- Salt and pepper grinders

NO

- Oven
- Ice Maker
- Tupperware
- Ziplock bags
- Aluminum foil
- Oil and spices

Keeping Your Dome Comfortable

- When you arrive your dome's temperature will be set to 72 degrees. The curtains will be shut in warmer months and open in cooler months.
- Please always keep the HVAC unit at your desired temperature. The goal is to not let the dome get too hot or too cold as it will take some time to bring the temperature back to a comfortable level.
- During the day the sun can greatly raise the temperature in the dome. During warmer months, please keep the curtains closed when not in use.
- There are a few additional fans in the dome to assist with air flow when needed. The rear of the dome has an in-wall heater as well for cooler months. Please turn heater off when the dome is vacant.

Dome Rules

SMOKING

Smoking is not allowed indoors. Please dispose of all cigarette butts properly. Please do not throw any butts off decks. Please dispose of butts in provided fire pit ash buckets.

PETS

No pets allowed, sorry!

PARTYING

No parties or events.

NOISE

Please keep noise down after 10:00pm.

HOT TUB

Please no glass or foreign items (oils, tissues, baby diapers, etc.) in the hot tub. Please replace the hot tub cover when not in use.

FIREWORKS

No fireworks or poppers.

FURNITURE

Please do not move the furniture.

Alcohol Sales

- There are no liquor stores in Blue Ridge or Fannin County. You will either need to drive to Ellijay (25 minutes) to find a liquor store or BRING LIQUOR FROM HOME.
- Beer and wine sales are allowed on Sunday after 12:30pm. Liquor sales are allowed in licensed restaurants for consumption on premises. You will find beer and wine in all major grocery stores and most convenience stores in Blue Ridge. Ingles tends to have the best selection. Wal-Mart sells beer, but the selection is usually not so great.

enjoyyourstay

All of Glamp Blue Ridge is covered by StarLink internet. While the internet signal is very good in all domes, the satellites do move at times and cause some latency issues. Be patient, the signal will be restored in 10-15 seconds.

If you are walking around on your phone, you will likely have some service issues as your phone will be switching between different routers throughout Glamp Blue Ridge.
