

# Request a quote

**SHUTTERS**  
& blinds uk

1. Send approximate window sizes (cm or mm preferred) via Whatsapp or Email along with an idea of what you are looking for. View our Whatsapp catalogue by clicking [here](#), browse our website [here](#), Instagram [here](#) or please request a pdf brochure if you are unsure.

\*please send visible glass sizes for no drill blinds (INTU, Perfect Fit and VS2)

2. We will then provide a written estimate with the relevant product information
3. If you are happy with the price and information provided we can then arrange a home visit to your home or office whereby we will survey, show product samples, colour options etc.
4. A written quote will then be issued confirming the price and including your colour choices, preferences etc.
5. Should we be fortunate enough to receive your business we request a 50% deposit upon order. Typical lead time is 3 - 4 weeks for all blinds and 7 - 13 weeks for shutters depending on the material
6. We will then notify you as soon as your made to measure products are ready to book installation

## Why we work in this way

Gives you an idea of what to expect price wise prior to you having to pay for someone to visit your home

Helps keep our prices reasonable as less travelling / can work more efficiently

Better for the environment as less driving and can offer a better overall service
