Unparalleled luxury found in every detail

Welcome Aboard

The moment you step aboard one of our *Floating Boutique Hotels™*, you enter a world of unparalleled luxury, infused with the warmth of our service-driven crew and an immersive atmosphere that brings to life your travel destinations.

Ever since Uniworld was first founded in 1976, it has been our joy to bring travelers on one-of-a-kind journeys in our favorite places around the world. Now, our world is wider than ever, with trips spanning **Europe, Southeast Asia, Egypt, India, and South America.**

Find your inspiration in the pages of this brochure, where you'll find classic river cruising experiences on the **Rhine** and **Danube**, as well as indulgent voyages in **France, Portugal, and Italy.** For those looking to explore off-the-beaten-path, **Extraordinary Destinations** such as the **Mekong Delta** and the **Peruvian Amazon** offer the luxury adventure of a lifetime.

Our 2026 lineup includes several new itineraries, extensions, and even a brand-new ship. The **S.S. Emilie** will invite guests to experience Art-Nouveau elegance as they sail our latest Danube itineraries: **Vineyards & Palaces along the Danube** and **Capital Cities of the Danube with Prague.** For those seeking longer journeys, **Danube Grandeur** combines both cruises into one two-week sailing.

Our Italian offerings have gotten an upgrade with the addition of **Slovenia, Venice & the Jewels of Veneto** and **Grand Highlights of Italy & Slovenia.** Beyond the rivers, 2026 will see our land extension options grow to include new stays in the coastal Croatian city of **Dubrovnik**, storied **Transylvania**, and inimitable **Vienna.**

Our **2026 Rivers of the World Cruise**—the world's farthest-reaching adventure in river cruising—will celebrate our 50-year anniversary with a 50-night cruise! We're also bringing back our signature **Mystery Cruises**, the **Music of the Danube** themed sailings, our **Premium Golf Package** in Bordeaux, and other Limited-Edition programs.

Wherever you plan to explore next, do it in the extraordinary style of Uniworld. After all, ***you deserve the best.***

CELEBRATING UNIWORLD'S 50-YEAR JOURNEY

of transforming the river cruising experience

In 2026, we're celebrating the 50th anniversary of Uniworld! Over five decades of travel, we've developed an unrivaled degree of cruising expertise, passion, and destination knowledge. It's why our collection of river cruises has been recognized as the best in luxury river cruising by travel experts around the world.

As one of the very first passenger river cruise lines in Europe, Uniworld has been leading the way on the rivers longer than anyone—and making waves ever since. We always have our eyes on the future, considering how we can continue to raise the bar on luxury river cruising to bring you the most rewarding travel experiences out there.

1976

Uniworld founded, introducing American travelers to unexpected destinations in Europe.

1992

First brand to offer a cruise connecting Amsterdam to the Black Sea after the Main-Danube Canal was built.

2009

Became the first river cruise line with personal butlers.

1980s

Uniworld became the first US brand to take Americans on European river cruises.

1990s

Led the way in expanding the river cruising industry to the Douro River Valley, the Venetian Lagoon, and extraordinary destinations outside of Europe.

2004

Joined The Travel Corporation, taking their hotel and hospitality experience to elevate our ships into *floating boutique hotels*.

2011

Launched our first Super Ship, elevating the meaning of “floating boutique hotels” with grand entryways, multiple dining venues, and more.

2023

We launched our first *Rivers of the World* cruise, the farthest-reaching itineraries in all of river cruising.

2022

The world's first *Mystery Cruises* took travelers on one-of-a-kind journeys for which every detail, including destinations, were a surprise.

2014

First river cruise line with wellness trainers onboard.

2021

Launched *Cruise & Rail* journeys to combine all the best aspects of luxury travel by land, water, and train.

2026 AND BEYOND

New itineraries, new ships, and more!

Ever since we first set out to take travelers on one-of-a-kind trips in 1976, Uniworld has been all about the guest-driven approach. We listen, we research, and we innovate—not only to discover what our guests are telling us they want and need, but to also anticipate what they are missing out on. That’s how you get to the heart of what a great vacation really is.

As the first American company to cruise the rivers of Europe, we’ve had the time to learn along the way and reinvent the format entirely. Uniworld lengthened cruise itineraries to one, two, even three week stretches, and introduced all-inclusive pricing. We handpicked destinations our guests would be looking for, then snuck in a few hidden gems we just knew they’d come to love. Perhaps most importantly, our ships offered the boutique hotel experience early river cruisers desired: designs with character, hotel-style beds, and delicious onboard dining. And by making their favorite boutique hotels float, now our guests could travel in all-inclusive luxury to multiple destinations, without having to unpack between each stop.

But we didn’t stop there. Every year, we pay close attention to the world of travel and the feedback of our guests to create better and better travel experiences. When we joined The Travel Corporation’s collection of award-winning travel brands in 2004, our mission became elevating river cruising to new heights. We launched the **Super Ship** fleet, began cruising in more extraordinary destinations, and introduced innovative new concepts as **Cruise & Rail** journeys, **Nights Out**, and **MAKE TRAVEL MATTER® Experiences**. Year after year, we set new standards and expectations for what luxury river cruising could be and are looking forward to continuing these pursuits for the next 50 years.

“The service was superb! All of the staff were always smiling, very courteous and made us feel very special. We actually felt like royalty in how they treated us. Thank you for making our trip so enjoyable!”

– Gwynne, ENCHANTING DANUBE

WELCOME TO LUXURY RIVER CRUISING

This is cruising at its absolute best

Sailing by river means enjoying all the conveniences of a traditional cruise, along with all the benefits of land travel. Stopping in multiple destinations on every trip, you'll visit bustling cities and hidden gem villages, unpacking only once. River cruising is the best way to cruise, and the best and most luxurious river cruises are with Uniworld.

S.S. Beatrice sailing

ONE-OF-A-KIND BOUTIQUE SHIPS

One of the highlights of your river cruise will be the ship you sail on. Each of our one-of-a-kind ships is like a floating boutique hotel; designed to immerse you in the destination with luxurious amenities, beautiful public spaces, and elegant dining venues.

ALL-INCLUSIVE AMENITIES

Everything you could ever need is included with Uniworld. From your meals to premium drinks, plus your daily shore excursions. We've even included the onboard gratuities. All you have to do is sit back, relax and enjoy the Uniworld experience.

INTIMATE & RELAXING EXPERIENCE

Compared to ocean cruising, a river cruise ship is smaller and offers guests a far more intimate experience. With just an average of 120 guests onboard, you can get to know your fellow travelers and receive better access to the incredible staff onboard.

UNMATCHED CONVENIENCE

River cruising allows you to travel directly through the heart of countries, giving you access to some of the world's greatest cities right outside your window. You'll travel to multiple destinations with ease, only unpacking once.

IMMERSIVE TRAVEL EXPERIENCES

We've selected culturally immersive experiences on every journey. These range from a private after-hours visit to St. Mark's Basilica to receiving a breathtaking water blessing from a Cambodian monk.

CONNECT & STAY CONNECTED

Unencumbered by large crowds, you'll effortlessly meet people who share your passion for travel and exploration, and stay connected with loved ones back home with complimentary shipwide Wi-Fi.

THE MOST PERSONAL SERVICE

from the most tenured crew on the rivers

Service is at the heart of everything we do. From organizing your trips to taking care of you onboard, it's all about putting a smile on your face and watching you fall in love with your destinations. That's the driving force behind our guest-centric atmosphere and the reason you leave your cruise feeling like part of the family.

It's also why each detail carries the same weight. **No Request Too Large, No Detail Too Small™** comes to life in the interactions we share with our guests. Your river cruise is focused on a singular goal: to give you the unique and unforgettable experience you seek, with the impeccable, personalized service you deserve.

Every guest receives our full attention, with an incredible guest-to-staff ratio of 2.4 to 1 (the best on the rivers), unmatched attention to detail, and in-suite butlers trained to the highest standards in the industry because everything worth doing, is worth doing well.

"It was the most enjoyable time. The service, friendliness and quality can't be beat. A true 5-star experience."

AN ARTFUL PRESENTATION

of delicious farm-to-table cuisine

Our culinary philosophy is ever-evolving, designed to appeal to the discerning palates of international travelers, with a variety of traditional dishes, inspired contemporary flavors, delicious healthy dining options, and comfort cooking. From breakfast to lunch to dinner, each meal is carefully crafted exactly to your tastes.

Chef Robert van Rijsbergen, Director of Culinary Operations

A CUT ABOVE THE REST

Uniworld's kitchens attract a particularly talented team of chefs, every one of them passionate about turning local ingredients into culinary masterpieces. Their work has even earned them recognition by the prestigious gastronomical society, **The Chaîne des Rôtisseurs.**

OUR RECIPES, CATERED TO YOU

For those interested in healthier dining options, our *Traveling Lite* menu features all the flavor of our traditional menu, but with fewer calories. We also offer a variety of vegetarian, vegan, and gluten-free options, prepared just for you. If you have a specific meal preference or desire, just ask.

ENDLESS POURS

With every meal, enjoy a choice of featured fine local wines, selected by our onboard sommelier, grown and bottled directly from the regions you visit. Not restricted to a dining room or even the bar, you can ask our bartenders to bring you all the premium wine, beers, spirits, and signature cocktails you desire.

DISTINCTIVE SHIPS

inspired by their destinations

Hari's Bar & Lounge, S.S. La Venezia

The ships in our fleet are passion projects, through and through. Every unique design scheme and piece of art—the structure, the intricacy and the handcrafted items—is assembled to be a masterpiece in and of itself. To step onboard is to step into a world where the colors and one-of-a-kind details of your destinations come to life.

OUR COMMITMENT

*to unrivaled excellence in
luxury river cruising*

More than 10 years ago we redefined the term “unsurpassed luxury” when we launched the first Super Ship—the S.S. *Antoinette*. With custom décor that brought the Rhine region to life onboard, this ship completely transformed the standards of river cruising. We continue to launch new Super Ships with each passing year as we work towards transforming our entire fleet, delivering the absolute best experience in river cruising.

Our Super Ships represent the epitome of luxury in river cruising. It’s the one-of-a-kind design that Uniworld represents, with more suites, more dining options and more luxurious **Tiny Noticeable Touches** throughout.

Uniworld guests have 12 extraordinary Super Ships to choose from, including the newest to our fleet—S.S. *Victoria* and S.S. *Elisabeth* in Western Europe, S.S. *Sphinx* in Egypt, *Mekong Jewel* in Vietnam & Cambodia, S.S. *La Venezia* in Italy, and S.S. *São Gabriel* in Portugal. In 2026, we’ll introduce S.S. *Emilie* in Europe, a brand new Super Ship inspired by Gustav Klimt.

We don’t believe in filling the rivers with a large fleet of identical ships. We believe in quality over quantity. That’s why the select few ships we operate account for the best of the best on the world’s rivers. This commitment to quality has consistently earned us a top ranked spot in both *Condé Nast Traveler’s* Readers’ Choice Awards and *Travel + Leisure’s* World’s Best Awards, year after year.

“Uniworld has never disappointed in our experience. This was our 4th river cruise with them, and I would not want to travel with anybody else.”

A PASSION FOR SUSTAINABLE TOURISM

and a penchant for giving back

As part of our dedication to sustainability, we focus on making a positive impact and advocating for environmental, social, and economic responsibility. We're proud to be part of The Travel Corporation (TTC) and further its **How We Tread Right** strategy, which is anchored to the United Nations Sustainable Development Goals. Under the guidance of Uniworld's Sustainability Officer, Julie Higgins, we've made significant progress across several areas of operation. Read our recent highlights below.

01

CLIMATE ACTION

We've become the only cruise line to join **Path2Zero**, a research project aimed at reaching net-zero carbon emissions in Europe. We're contributing financial support, advice, and the expertise of our captains and engineers, who are helping test real-world solutions in the program's "Living Labs."

02

FOOD WASTE

Over the last couple of years, we've piloted a comprehensive food waste measurement and reduction system known as **Leanpath** on select ships. So far, we've eliminated over 50 tons of food waste, equating to a 41% reduction. That's equivalent of 185,417 meals

03

ELIMINATING PLASTIC

We're eliminating single-use plastics across our fleet by introducing refillable toiletry dispensers, bamboo room keys, cloth laundry bags, and more. Along the way, we've discovered that these high quality, sustainable alternatives also provide a more luxurious experience than their disposable counterparts.

04

EXPERIENCES

Our **MAKE TRAVEL MATTER® Experiences** take guests on unique and immersive local experiences that show them how their travels can directly and positively impact the destinations they visit. We currently feature MTM Experiences on 71% of our itineraries and are on our way to having them on 100%.

Learn more about the TTC sustainability strategy, How We Tread Right by reading the latest progress report at [TTC.com/HWTR](https://www.ttc.com/HWTR).

Sailing the Danube River, the next member of our Super Ship fleet will be inspired by master Viennese painter Gustav Klimt. In his honor, we're naming the vessel after his beloved muse, Emilie Flöge. When she debuts in 2026, the S.S. *Emilie* will bring elements of Klimt's signature style to our guests, with dramatic hues, Art Nouveau elements, and stunning pops of gold. Guests who book a Grand Suite and the adjoining Deluxe French Balcony next door can see their stateroom transformed into an incredibly spacious 2-bedroom suite.
