## Burnishine 100% Cotton Pads

---

**100% Cotton, Soft, Absorbent, Lintless Wipes for Plates and Equipment, and more**

---

Burnishine Cotton Pads are not your average pad. They are made from high density, premium cross-linked spun lace cotton that delivers exceptional fluid absorption and retention. This unique technology helps the pad cut through grease, stains, ink and other residues quickly and easily. High density cotton is soft, durable, and ensures minimal lint which can contaminate presses, plates and other surfaces.

### FEATURES BENEFITS:

- ◆ Unique cross-linked spun lace pad is soft, absorbent and strong
- ◆ Non-scratch and lintless
