# DIRECTOR'S NOTES:

Thank you so much to anyone coming to support these kids in Beetlejuice! Every show that I get to work on just increases my love for theatre and my love for teaching. I see how hard everyone works and how excited everyone is to be here. It makes my heart feel so full. I love to watch students that I have taught grow, and they have grown SO MUCH over the past 3 years. I see the hard work, dedication, and progress from every person in the show, even the ones who this may be their first time performing. I can't wait to see these kids continue to flourish, develop their characters, and share their talents as the show opens and as they keep getting older. Beetlejuice itself is such a fun show with lots of opportunities for different kinds of acting and I really am seeing it all within these casts! Do me a favor, send your kids a treat (they deserve it) and thanks again for coming to the show!!! AND keep your eyes peeled for a striped ghost man ;)

# BEETLEJUICE

JR.

Book by Scott Brown & Anthony King

Music & Lyrics by Eddie Perfect

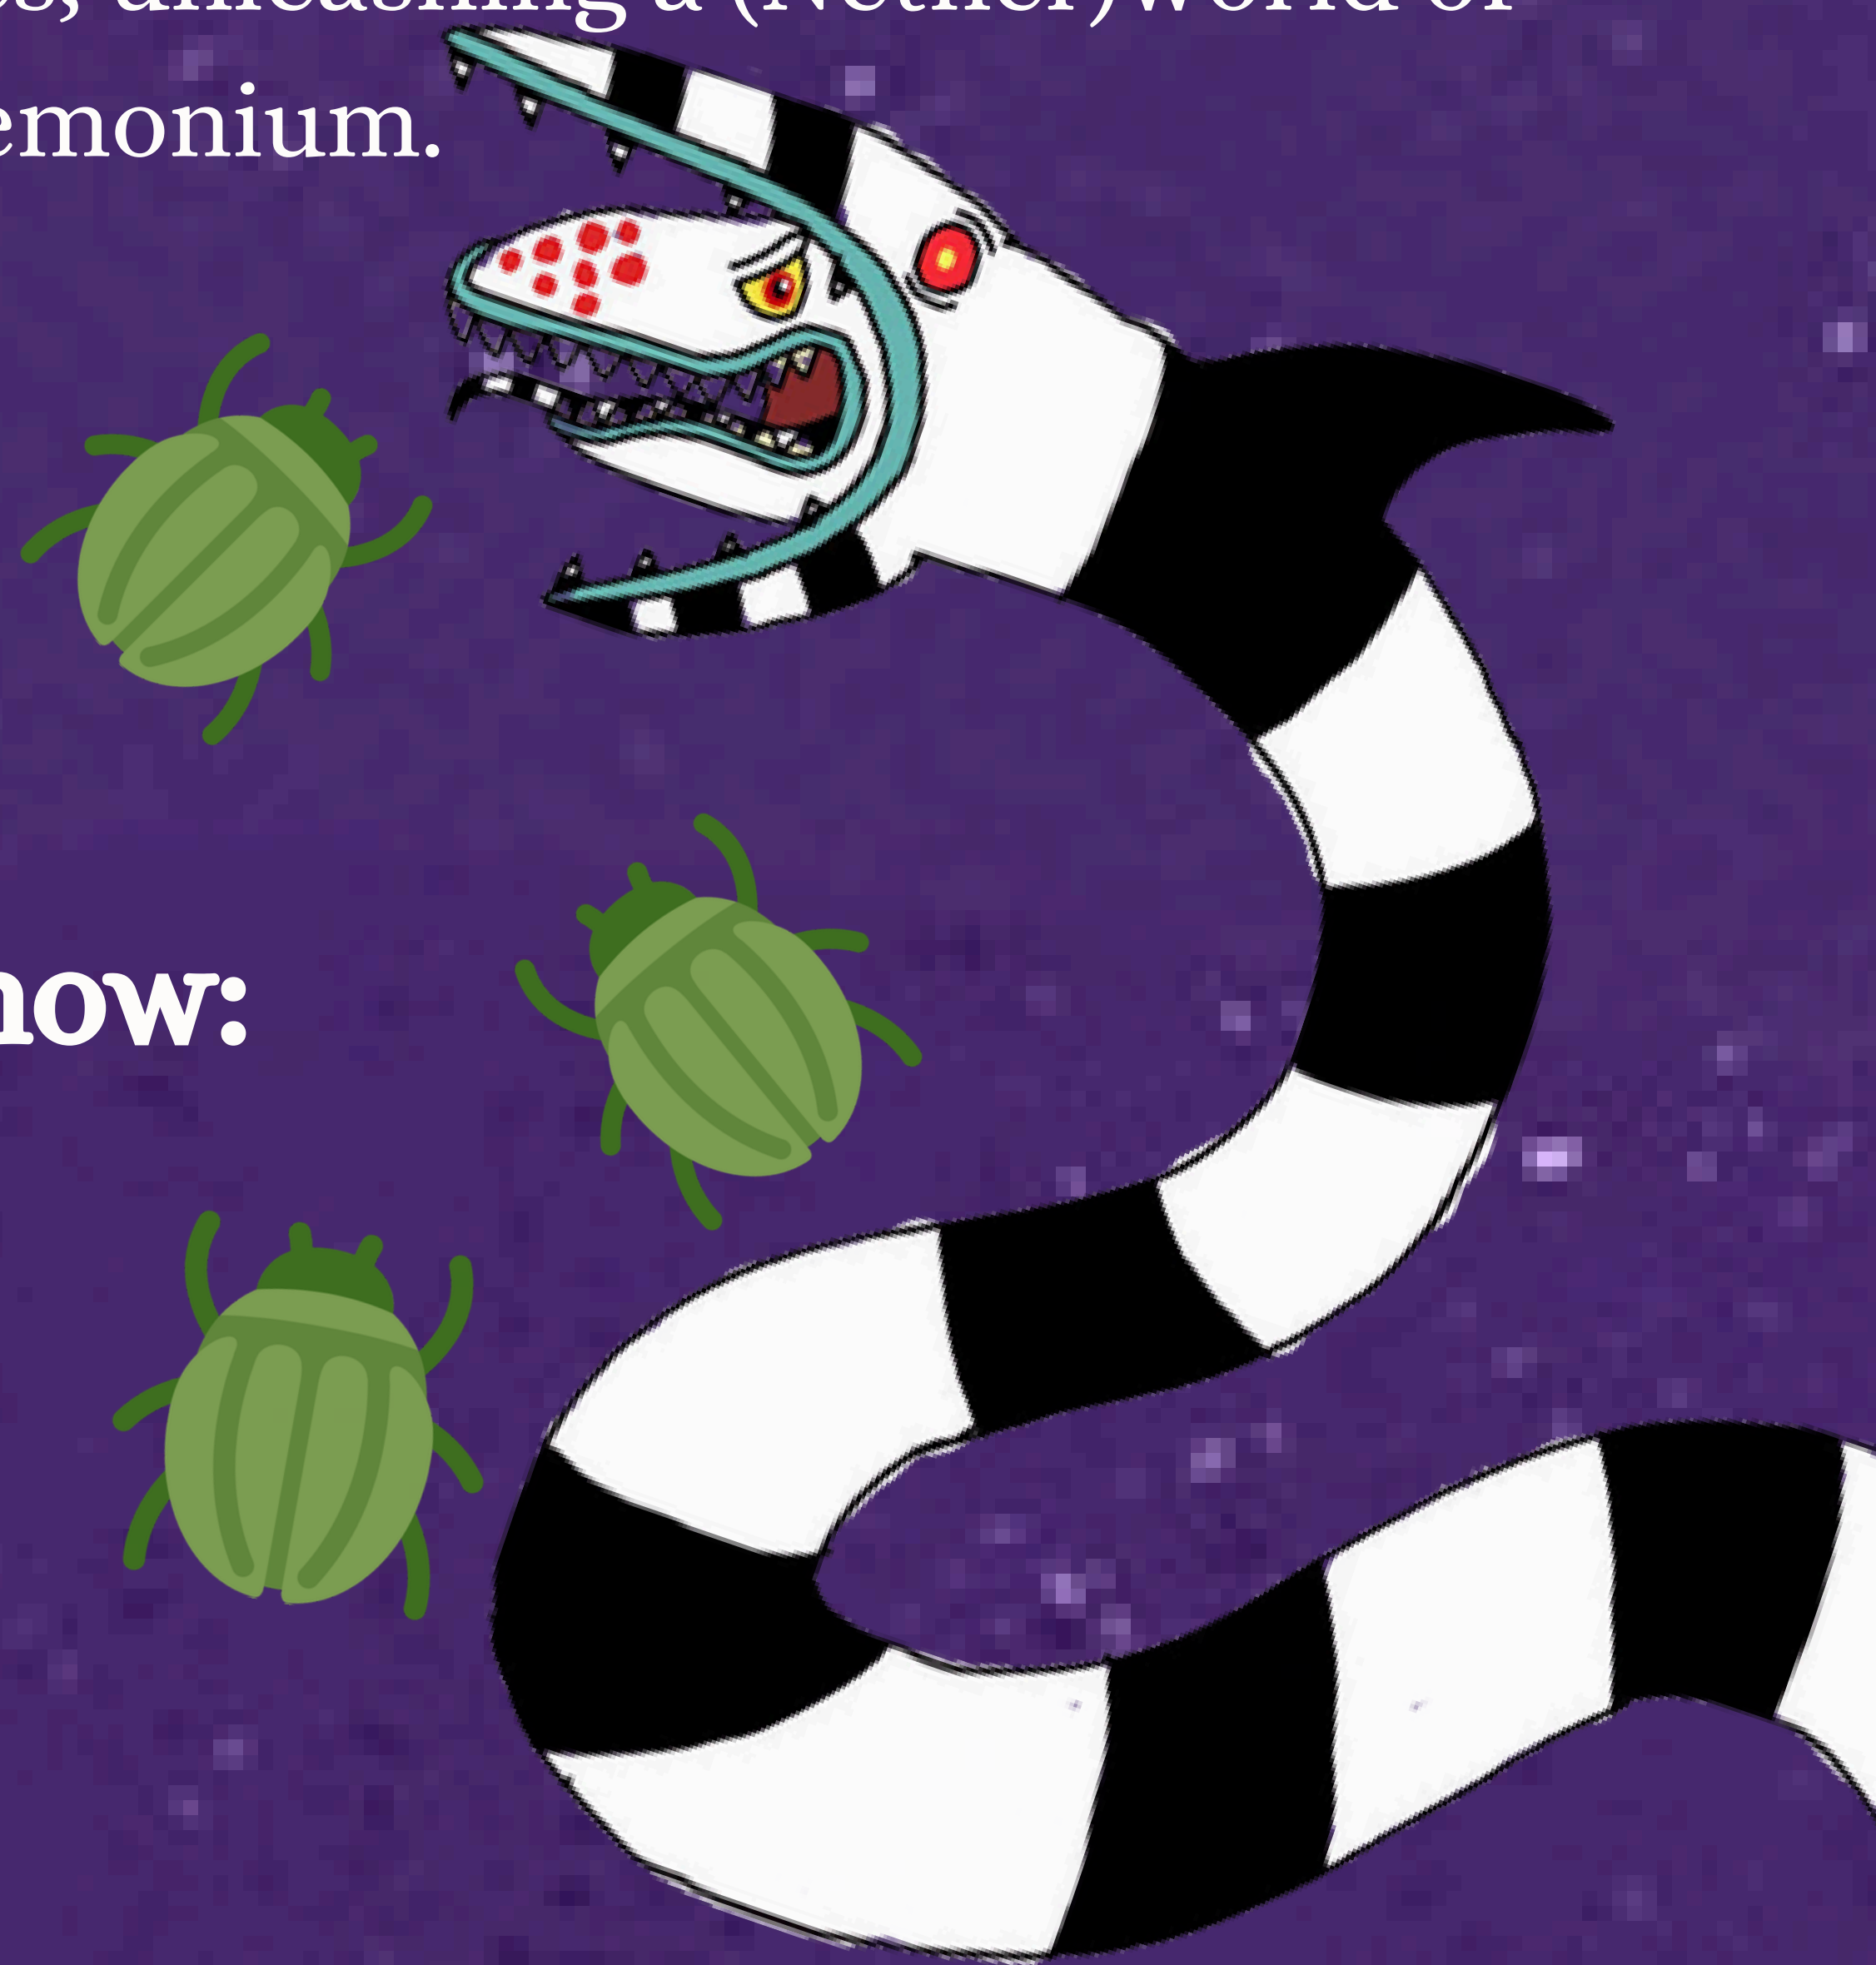

This adaptation is based on the 1988 Geffen Company motion picture and the Broadway musical of the same name.

## About the show:

Beetlejuice JR. is a frightfully funny musical based on the beloved motion picture turned Broadway phenomenon. Lydia Deetz is a strange and unusual teenager, still grieving the loss of her mother and obsessed with the whole “being dead thing.” Lucky for Lydia, she and her father move to a new house haunted by a recently deceased couple and Beetlejuice, a delightful demon with a real zest for life. When Lydia calls on Beetlejuice to scare away anyone with a pulse, this double-crossing specter shows his true stripes, unleashing a (Nether)world of pandemonium.

## Main themes of the show:

- Empathy and Grief
- Family
- The Concept of “Home”
- Self-Reliance
- Portrayal of Death

WHERE COMMUNITY **OPPA!** MEETS CREATIVITY

## Principal Characters:

**Beetlejuice-** A zany, dead trickster seeking to be seen by the living. of pop culture and dreams of being a hero.

**Lydia Deetz-** A smart, grieving teenager obsessed with the dead who can see Beetlejuice.

**Barbara Maitland-** A kind, adventurous, and recently deceased homeowner.

**Adam Maitland-** Barbara's devoted husband who struggles to "haunt" their home.

**Charles Deetz-** Lydia's distracted father trying to move on after his wife's death.

**Delia Schlimmer-** Charles's partner (often portrayed as a pretentious life coach)

## What to Look for While Watching Beetlejuice

- **The Sandworm:** An iconic, often creative puppetry moment in both the movie and musical, look for how this is adapted for the youth stage.
- **Character Interactions:** The show focuses on the relationship between a "strange and unusual" Lydia Deetz and the mischievous, "ghost-with-the-most" Beetlejuice.
- **High Energy Musical Numbers:** Songs are shortened, but the energy remains high with a focus on fun and chaos rather than the adult humor of the original.

## On The Ride Home Questions:

- What was your favorite moment in the show, and why?
- What message do you think the show is trying to share?
- Do you think Beetlejuice is actually a villain, or just lonely?
- If you had to live in the Maitlands' house with all those ghosts, would you stay?

---

Thank you for coming to see Beetlejuice Jr! We hope this story reminded you that even after a major loss you can find connections in life again. For more information feel free to watch the the Tim Burton films or the Broadway production.
