## **Las Sendas Community Art Contest**

This summer, we are inviting residents of all ages to take part in a community art contest inspired by Arizona, the desert, and life in Las Sendas. It is a great opportunity to get creative, try something new, and share your work with the community.

From July 1 through July 31, residents are encouraged to create artwork in any style or medium, as long as it is not digital. Whether you enjoy painting, drawing, or putting together something more unique, there is plenty of room to make it your own.

### **How to Enter**

Once your piece is complete, simply drop it off at the Trailhead during normal business hours with your completed entry form. Submissions will be accepted Monday through Friday between 8 a.m. and 4:30 p.m. throughout July.

### **Judging and Awards**

After the submission period closes on July 31, all artwork will be reviewed by the LSCA management team. Winners will be announced on August 7, 2026.

The top three entries will receive a gift card from the Association. In addition, the first-place winner will have their artwork featured on the cover of the Las Sendas Living Magazine. The fall edition is delivered to more than 3,400 homes across the community, offering a special way to showcase local talent. All submissions will be displayed at the Trailhead for one week and can then be picked up.

We are excited to see the creativity across Las Sendas and how residents bring an Arizona-inspired theme to life. Whether you are an experienced artist or just creating for fun, we hope you will join in.
